Year one, class three!

And the winner is...

Momo Adachi: A pretty but insecure girl, who's liked Toji since junior high. She's really not the party girl everyone thinks she is.

Kiley Okayasu: He really likes Momo and is the only one who sees right through Sae. He's trying to redeem Momo's reputation.

Toji Tojikamori: He's really in love with Momo and trying to get her back.

Sae Kachiwagi: Watch out for her. She's evil, though for now she's been cut down to size.

MOMO VS. SAE
DEATH MATCH: THE WHOLE STORY!

School life really sucks for Momo since everyone is convinced sleazy Sae is the innocent one, including her true love, Toji, who supposedly only likes girls with light skin. He breaks up with Momo after Sae brainwashes Toji into believing that Kiley and Momo are together. Shady Sae is up to her usual shenanigans by nominating Momo for the swim competition, knowing she's trying to stay out of the sun. Then, she gets other girls to do her dirty work by cutting the straps on Momo's bathing suit so she'll lose in the swim meet. When the Queen of Mean turns the whole school against her, it looks like wiley Kiley is the only one backing her up. And when Toji finally realizes that he's been fooled by Sae's sneaky ways, he tries to get back together with Momo, but she refuses. If he doubted her once, how will she know he won't do it again...?

Everything You Need to Know.

Oh, well. As long as everyone's having a good time.

Let's hear it for our champ!!

パチパチ

Hey, pass the mic.

She carried us almost single-handedly.

And it's all thanks to Momo.

Already talking like they're old pals.

パチパチ

No, I...

I mean... ...it was...

Free food and drinks for everyone, compliments of the student association!

パチ

Congratulations to Class Three! You've all won a victory karaoke party!

うおお!

おおー

どどん

I knew it was too good to be true.

This is our karaoke party?

That's just the boom box from the teachers' lounge.

But the selection is better than the usual swill.

Wait a minute. This is just cafeteria food!

ヒュウ

Hey, Toji.

No, I don't...

Come watch while we get our licks from Momo.

Man, don't be like that. Check it out.

Momo!

We're sorry.

Please forgive us.

Aim right at the targets!

Come on, hit us until you feel better.

We were idiots.

You're being way too nice!

Don't you remember what they did to you? The way they all snubbed you?!

That's cool. I know you guys are sorry.

I mean, uh...

The way we all snubbed you?

I was mean to you too, Momo. I'm sorry.

You can smack me too.

I'm over it.

H-hit us.

We deserve it.

Shuu—

And you cut the strap off my swimsuit.

Now that I think about it, you guys soaked my clothes in water.

.....

Toji and Momo!

They're back together! ♡

Oh, Momo! You're just so...so...

Hey, Toji's here!

I forgive you.

Well, you all seem to regret what you've done. And I guess that means you're already paying for it.

Hmmm?

Speaking of, where is Sae?

Maybe she went home.

ミッ

Was that...? Was Sae just here?

I didn't see her.

Did you see her?

You must be imagining things.

We should have known they were a couple.

Toji's so shy.

Cute. They're embarrassed.

Then none of this would have happened.

.....

Guess you never can tell.

Yeah. It's totally shocking.

How were we supposed to know what a liar Sae was?

What nerve to say such a thing!

I never heard anyone say that before.

Suddenly, she'd be all charming.

Exactly. Like the way she'd totally change whenever a guy was around.

'Cause if you had, everyone would think you were just jealous.

Of course, lots of us were suspicious of Sae from the get-go.

Toji, sing a song to celebrate getting out of the hospital!

What?

Wait...

Come on, do a duet with Momo.

Duet! Duet!

There's only one microphone, but you two shouldn't mind getting close. ♡

Put your arm around her, Toji!

Closer! We can't hear!

Like earlier today when you announced she was your girlfriend.

Will you all back off?

カシャ

Come on, you two. Give us a smile.

I'm sorry. Excuse me.

ガラガラピシャン

Told you she's shy. You shouldn't embarrass her like that.

I'll just take another route

Well

Are you crazy?! Sae's out of your life. The boy of your dreams wants you back and you say no?!

You what?!

はっ

Oh, please! I just don't know if I can trust him, that's all

So what's the deal? You're not going to say it's because you're lusting after me, are you?

Whatdda ya say?

The one saving grace was that when he said it, I agreed!

Besides, it was Toji who wanted to break up. And now that I think about it...how dare he? What an arrogant, selfish...

Let go of me. I'm not drunk.

Come on, man straighten up. You're zonked.

If Toji is the type of person who could believe all those things that Sae said now do I know he won't doubt me again?

You could have just said, "Yes, Riley. I have feelings for you."

He asked me to give it another try with him

I told him no.

あっ 益々顔黒に なっちゃって

I knew it! This happens whenever I go swimming!

Ohmygawd! I'm getting darker and darker!

Yeah, that sucks. But the part about you being super tan is true.

Look how bronzed your face got.

As if I'd ever be seen with them...for money!

That burns me up! Old creeps. The nerve

If I hadn't been with a guy like you, who knows what might have happened.

Because you got burned right?

Oh, my face hurts.

はー

Thank goodness you were here.

But he's got a point. He's saved me twice now.

Momo? Remember what I said that time?

If I hadn't been there, that old man might have dragged you into that hotel.

Hey, this happened last time we hung out.

Don't remind me.

?!

How about it, sweetie? You like to party with older men? Does $300 for the night sound good?

Wow, look at this tan little cutie

Hello monster breath!

Huh?

Get a life

Why are you apologizing? She's obviously a playgirl. Just look at her. Nice girls don't get tans like that.

Excuse us, Miss. I'm real sorry. Come on, man, you're wasted. Let's go.

Where'd that little punk come from?

Toji's?!

Well, yeah You see ..

That's when he gave me the line about looks being deceptive ♡

It sounded cool, so I borrowed it

He grabbed me by the shirt and warned me..

You stay away from Momo!

..it was back before you and Toji were going out.

And Toji heard that rumor about us kissing.

It probably took Sae a long time to get him to think that way.

So don't believe he doubted you that easily.

That's how well Toji understands you

"She may not look it at first glance, but Momo is definitely not that kind of girl."

Huh?

That cool line I gave the old man

Oh yeah

That's one thing I respect about you

Kiley, you may be a pervert, but at least you don't rush to judge people. That's one thing I respect about you

Of course I remember that one. That was the moment I began to see Kiley in a new light.

..that wasn't my line. It was Toji's

Thanks, but you see.

Damn Now it's going to be twice as hard to say

No. The day he stopped trusting me, I lost something I can never get back.

But...

If I get back with Toji, how can I be sure that the next time something happens, he won't doubt me?

I mean, it's not like the real reason is because...

Are you sure that's why you won't.

No...

Wait a minute.

I just told you.

Real.

She led him into a maze. She got Toji to a place where he couldn't see the real you anymore.

And today Toji finally found his way out of that maze.

That kinda sucks.

At least that's how it seems to me. Not that I'm so into helping Toji or anything.

That's like never leaving the house because you might get in an accident

Why deny yourself what you want just because you're afraid of what might happen in the future?

How totally melodramatic, Momo.

Listen to yourself "The day he stopped trusting me, I lost something I can never get back"

It sounds like the one who doesn't have any trust isn't Toji .. it's you.

Do you have sand in your ears?

That's why you won't make up with Toji?

You're sure?!

If that's your reason, it's horrible.

Momo, please

How can I know he won't do the same thing again?

What do you mean?

Nothing is certain Ever

Poor Toji. I can't help but feel sorry for him.

All students, report to the gymnasium

Repeat: All students, report to the gymnasium.

Yeah, for four days

That's just too stupid I give up.

You've decided it's never going to work, and you're making it all Toji's fault.

With that attitude, you'll never find love

I'm try ng to run away so won't have to feel the pain

But even though I'm look ng for a way to protect myself

Have I always been this hope ess?

Momo

I wonder how long I've been like this

I guess I've always had this complex

A beach bunny

The way people judge me because of my dark skin

Loose and easy

The way they stare

Everyone jumps to conclusions

I don't think I can ever feel the same again

No one knows the real me

Could it be because of what said yesterday?

Hey, Toji

You just take what people say at face value.

You're not very worldly, are you?

I'm too gullible. I believe whatever I'm told.

Even though I never saw it or heard it myself

And because I was such a dope

I'm sorry, sweetie

But I d dn't mean to...I didn't do it to get your attention or anything like that. Maybe I should have waited one more day

I'm so sorry Momo.

We're looking for Momo Adachi. Is she in this class?

What did you do to them Momo?

Those girls are second years

I didn't do anything.

Didn't you used to be on the swim team?

And aren't you the one who single-handedly won the swim meet?

I heard the party was real nice

Do you think we're going to let a first year cream us in every event?

Uh oh. They've come to set you straight.

But she didn't do anything wrong.

There's no rule about how many events you can enter

!!

カッ

If I did that, I wouldn't have a chance!!!

Plus, what will people think if I start hanging around with them?

For one thing, I don't need to get any darker than I already am!

Why don't you sign up?

...and laughing when you talk to people?

Why don't you try smiling...

Okay. I've got an idea

I guess if you joined that clique, people would think you were a party girl

That's what I mean.

We're four fun babes who love swimmers and swimming. Don't mess with us.

No, I didn't mean to say that you had a mean face. I meant—

Are you saying I have a mean face?!

...he has a mean face, but when he smiles, it changes everything.

It'll make a big difference. Even that ballplayer I know

Sweetie, what I was trying to say was...

You're the mean one

Please, Momo, you've got to help us

Huh?

It had seven members, but three of them graduated. They're going to get shut down unless I join.

They pleaded with me for over an hour

I didn't even know our school had one of those.

The swimming event booster squad?

Momo? What are you doing?

The way he said that reminded me of Kiley

In fact, I bet he's

Momo? What are you doing?

No. He'll pop up soon enough.

Should I wonder where he is?

We both know how it feels.

Another one of Sae's victims.

Isn't that Sumire from class one?

The girl who used to have the ponytail?

Almost like she isn't here. Strange, in fact.

...a kitten away from home

Since then? She's been as quiet as...

How's Sae since then? So it been with Sae since then?

It was really a great coincidence that all her victims happened to be there at just the right time.

Totally

Once the school found her out, that was it

Are you serious?! You don't know?!

Hey Kaey, what about me?!

Maybe he finally got tired of going through the motions.

I can't go out with you

Sae picked on me in unior high thought Why, she ca ng me now?

But then when saw what was happening to you in the cafeteria, I figured it out

It was the first time Kiley ever talked to me.

So! Kiley didn't just do it for me! He did it for her!

And that was our last embrace...

Whatever he did to hurt you

How did I miss it?

When I looked at Kiley, what did I see?

He was clearly there, for me.

And I just didn't notice

It all just happened to work out perfectly, and you two got that old magic back.

And what do you know?

Yeah I set a few things up while Toji wasn't around.

Eh, heh

You found out, huh?

He comforted me when I had it rough...

...many times, all the time.

He always happened to be there

You walked away with the best of everything.

And the thing is...

Kiley was able to do all that because I wasn't paying attention.

If I hadn't met Toji first, today you and I would probably be...

If it wasn't for you, I might have dropped out of school.

Hi all! And thanks for buying Peach Girl 4! At the end of this book, there's an eight-page bonus of Peach Girl fun—a look at the world from Sae's point of view! Check out the bonus section in the back and see if you are! —Miwa

The club would have to disband.

You can't leave us. What would we do without you?

Since they're just a booster club, they don't have their own meeting room.

You should be a bit more flexible. You're so uptight all the time.

You're so black and white, Momo. Almost like a guy

Next time you see Toji, why don't you make a move on him?

Yeah, it's not like the eyes of the nation are on us.

Well, that's more fun, isn't it?

And whoever wants to swim can swim ♡

I love you.

...Toj.

ぱふ

I wonder if Toji gets this nervous when he...

はぁ はぁ ふぅ ドキ ドキ ドキ

It's useless! I can't do this

うぎゃーっ

It's not like kissing Toji would be so bad.

ばふっ

Oh, why did I do that?

Stop

I mean, fine did and I

In fact,

I've always wanted to kiss him.

...and do something to make Toji and I real lovers.

I've got to clear away all these problems...

There's something wrong about that.

We're going out, and we've both kissed other people, but never each other.

Home Ec

Look out!

Here goes

You're giving that to Toji?

It's beautiful!

It's finished

How are we ...supposed to turn those in for a grade?

I don't believe it!

They're always picking on her and teasing her

Today she's in Mayu's group.

Sae again

.....

...to kiss Toji.

I really do want...

Here's your medicine ♡

I've always wanted to know what it was like to be a nurse or at least, wear a nurse's outfit

Is that getup?

Nurse Misao had to go out. I'm holding down the fort.

Hey, what do you think you're doing?

ガタ

You get a lot of stomach aches, don't you?

BUFFERON L

PMS? I'll show you PMS

It's all right. This works for all kinds of pain, pal. ♡

Like problems with Momo or something?

Frustration makes it hurt more? You sure that stress isn't at the root of it all?

Forget it. I'll find some medicine myself. Talking to you is just giving me more of a gut ache

I admit, it's a little satisfying

Momo, you're so righteous.

おお?

It just brings them down to the same level

That kind of revenge isn't healthy

How far do you really go?

But it doesn't make me feel good to look at the poor thing

Nurse's Office

Coming right up.

Excuse me

Could I get some stomach medicine?

Every time I've tried anything, she freaks out

Do tell

...I bet when you tried to kiss her, she did the same thing. Only you didn't care, you airtbag!!!

Makes a direct hit.

You're kidding! That's it?

What do you know about it?

What is it? When you try to get close to her, she pushes you away?

Ooh That looks l ke a bul seye

One or two thwarted attempts .s nothing

But getting big knots in your stomach just because Momo pushed you away!

Are you really that naive, To ?

It's not like, you know, I don't want to.

You just surprised me. It was so sudden

I'm sorry about yesterday.

I see

I just have to show him I mean it

Great. It's going great.

And last night I gave myself a mud mask, so today I'm all set.

An "L"?

You know, like "Tie a Yellow Ribbon"? Or that guy who taps his brake light five times when he's leaving to tell his girl he loves her.

When we make an "L" with our fingers, it means "I like you."

A sign?

Hey, Toji, why don't we have a secret sign, just between us?

カーン カーン キーン

You like sweets, don't you?

I made it for you in Home Ec.

Ta-da!

Sure, I'll eat anything.

Everything's ready...

What's the problem? Why won't he give me the sign?

What are you talking about? It's our own special sign. Nobody else knows what it is. Just like in baseball—you have signs and stuff like that, right?

I can't. I just can't. It's too embarrassing

Why do you think I go to all this trouble for?

You don't want to say you like me, is that it?

I see.

Come on, Momo I'll pair up with you

All right, get into groups of two to practice passing.

If you like me, can't you at least say so?

Embarrassed? What kind of lame excuse is that?

Well it's the kind of thing I want you to go around saying

It's not the kind of thing that's easy to go around saying

That's it, isn't it? Now that I think about it, you haven't told me you like me once since we've been going out.

Why not?

That's just fine!

Fine, then just forget it. You obviously don't understand me at all!

How pitiful.

Look at Sae She's the lone man out again

What are you doing helping Sae?

When you were all so sure I was the bad girl, how come everyone was so chummy with Sae?

But if Sae was so terrible, how could you stand to be friends with her?

We felt sorry for her.

We heard all those things she was saying about you.

To be continued in Peach Girl 5

It's okay to have the same things.

There are 125 million people in Japan. Not everyone can have originals only!

That's normal

Obviously it's annoying having someone copy you, but what's wrong with emulating their attributes?

You aren't going to be able to enjoy life if you can't let something like that go

I hate people who tell everyone someone is copying you when they just happen to have the same eraser or pencil case.

I'd like to hear the opinions of all the girls (and boys) in the country. And if I'm wrong, I'll fix it.

Then now are you suppose to live?

Otherwise, are you not allowed to buy stuff other people own?

I've borrowed manga from friends and then bought the books for myself because I liked it. That's what happened with *Peach Girl*.

I'm not allowed to do that?

When I told my friend she was upset because I copied her

And can't resist certain brands.

It's true that with fashion, when something's hot, everyone has it.

There's nothing wrong with that in itself

Sorry I have a limited vocabulary!

Well.. I can't really answer that.

What's the difference?

But I don't think this is what the people being copied are complaining about

Send me a letter if you can explain it well

No, it's fine with me.

I won't be liked if I do that?

Thanks for buying the books

I'll be awaiting your opinions.

Living in the World of Saes!

さえ情報 Part3!!

We're gonna change direction this time and read some pro-Sae letters

It's finally here

It's me once again for this show

Are there any other Sae fans?

I like people who are really upfront!! I am a Sae fan!

Who has that much courage to be able to do that stuff? I wish I had guts like that

I read *Peach Girl* Volume 2 Sae's

...THE BEST!!!!

Tonsil

There are but they are a minority

Oh!

Hmm, neiro?

Right? Right?

It's not Saya..

You should correct her too

I agree with "Saya's" personality! I believe the person who gets the guy by any means necessary is the winner!

Hmm.. It's not "Saya," it's "Sae."

I read Volume 2 and I feel really bad for "Saya!"

Something bad happened to Sae in Volume 2?

You talked about people who act like Sae in Volume 2, but I think we need to forgive little things like this

I might be a little like Sae

You mean the person who borrowed someone's manga and wrote a fan letter right?

I act pretty around men.

I'm kind of like her, act different around men and women.

Isn't everyone a little like Sae?

That's true!

can't be around men without my make-up

It may not appear to bother the person, but deep down it may really hurt her.

Though he's not human...

Some are really bothered.

I wish I could say it in a cool way like Data

Kid copying Data from *Star Trek*

Some don't mind at all

But different people react differently.

When someone copies you, it's flattering!

People you confronted but they kept copying anyway

People who have done this to you before

People you don't like.

Also, how much pride you have

Aren't these the people that you get mad at?

And your relationships with others

Noticing those who copy you may say a lot about how you think and act

But if it continues, at some point you may have to say "again?!"

Plus, there are people who'll forgive anything.

You can't blame them.

Actually, if someone you look up to did that then it might make you happy

This shouldn't anger you so much.

Sorry, Momo The one you had was so cute that I had to have it too

With a close friend

Sorry

Sorry

Oh it's fine

Though if you copy too much, it's plagiarism which is a crime

Same with manga

But what if the judge knows nothing about manga?

As long as people live together, they will be influenced by each other. By copying, we can advance and create better things.

If we start discussing whether copying someone is right or wrong this will never end.

What should we do though?

Yeah

But being copied pisses me off!!!

In the movie *Close Encounters of the Third Kind*, humans and aliens contact each other by playing a famous musical piece on a keyboard.

E.T.'s intelligent enough to understand humans, he's not going to try and hurt Elliott

In the movie E.T., there are scenes where E.T. communicates with Elliott by copying him.

From what I remember

Elliott relaxes and falls asleep

It's so long ago can't remember!

Kids these days might not know these movies

People get angry when you just repeat what they say

Stop copying me!

It's fun when you're mimicking someone though

We get annoyed when we are mimicked too

Yet why are we angry when people do it?

Stop copying me!!

Polly wanna cracker!

Momiko

Bark

Bark

We are happy when animals copy us, it makes us feel like we've connected with them

Yup!

We rode in the same elevator and the air was really uncomfortable

Plus she was with a man

Calm down

One time, I was in an elevator with her after seeing a movie and a woman wearing the same clothes got on

This is a story about one of my ass stories

!!?

An The same skirt

It's happened to me four times

Has anyone had the experience of running into someone wearing the same clothes as you?

Doesn't look good on me!

Since you know the person, this is your normal reaction

I was first!!

What?! She's copying me!

But if it's a friend..

It's sad when she looks better in the clothes than you though

It's a little annoying but it doesn't make you angry

Chill out.

But if it's a stranger, it's over once they walk away.

This happens in sitcoms a lot. The character usually can never wear those clothes again

That's what I wrote!!! Even though it was a big lie!!!

"I didn't want to tell you, but Momo shows your letters to everyone and makes fun of you. told her not to."

He doesn't know so who cares?

Though It was really just stuff I didn't want

picked them out just for you. ♡

From who?

Huh? You got Valentine chocolates?

Plus I sent Toji a good luck charm before his finals and sent him chocolates on Valentines Day

don't think they write to each other anymore

Of course they broke up right as they were about to come together

I feel pretty bad about it, but this is the "I" Sae inside of me (Tee hee!)

He he!

So what do you think of my Saeing? Pretty good, eh?

Oh no, I'm gonna get more anti-Toji letters because of this!

I'm disappointed

s what he was saying.

Seems like Toji really liked Momo

Though I'm actually a Sae-type

I love *Peach Girl*, but Sae is annoying Toji too

Now, another letter

Me played by Sae.

You're really her friend?

Why is she your good friend if you don't like her much?

You would do that to a good friend?

About a year ago, Momo got to know a pen pal who's a year older

Momo's pen pal Toji

Friend played by Momo

I have about three good friends but one of them, Momo, I do not like very much because she's always showing off

Me played by Sae

Now let's read some letters from the Saes.

He's not my type though

Sorry to all the B-blood-types out there.

As a perfect B-blood type Sae, I was very

...angry!!

Of course!

And she would always tell me this, every time she got a letter

...and Toji would say she was cute

Momo had some nice pictures

I got Toji's address and secretly started writing to him.

Ha ha ha ha!

So I did it.

I can't forgive people for being happy

Momo was very much in love, of course.

One day Toji wrote so many good things, it was like he was about to propose

Then when Toji started to be suspicious of Momo, I went for the knockout!

Then little by little I included bad things True or not true. I didn't care

only said good things about her at first.

Of course I wasn't dumb enough to put Momo down.

I was so happy!!

Then Momo gave up on Kiley

So I showed off how close I was with Kiley

And then I kissed Kiley where Momo could see

Jeda Sensei, please give me some advice!

Plus I kissed him even though I don't even like him. What should I do? I want to break up with him!

But here's the problem... I'm still with Kiley

Mr Policeman, look, that guy's speeding too

Have you ever been pulled over for speeding and..

Why? Momo started it

She was wrong but so were you.

It's the same as that.

Peoples hearts aren't toys! You planted this seed, solve the problem yourself!

Using other people to get back at your friend.

Like I'd know!!.

So that's it for this book

We've run out of space

Oh, too bad. There are many more letters I wanted to read but...

Oh, when will I be able to write about a serious love triangle between Momo, Toji and Kiley...?

Please buy Volume 5, thank you!

You wouldn't like it if it happened to you, right?

But you shouldn't use innocent people for that

I too have moments of revenge.

It's true that revenge feels good

But these two letters are very useful for future plots. Send more of these please (laughs)!

And the pen pal Toji from earlier

Poor Kiley

Then a month later this girl, Momo, who I don't get along with at all, started going out with Toji

Other girl played by Momo

And everyone in my class knew about it

Sae

Toji

Sae's love played by Toji

A year ago, there was this guy Toji who I had a super mega crush on

You might be thinking that I'm a Momo-type right?

That happened over and over

Toji would give up on Toji but then Momo would break up with him

If this is all it is, it would be fine but whenever I was around, she would act really nice around Toji or kiss him

I just happened to be there when she gave it to him

Not knowing this, Momo wrote him a love letter

So I got as close to Kiley as I could

I finally learned it was Kiley

But I wanted to get back at Momo, so I found out if she liked someone else

Guy Momo likes played by Kiley

Kiley and I got together

The plan worked

This could only happen in these extra pages

I didn't even like Kiley but I cried a lot & hugged him

Don't be with Momo! Please go out with me, Kiley!

And

I knew this was my chance and met Kiley after school

HEY PEACH GIRL FANS!

Keep those fan art and letters coming 'cause we might just publish 'em! We love hearing from you so write me, okay?

In fact, she wants everything Momo has, *especially* Toji. Sae's new scheme is so evil, it tops every other sinister plan she's ever plotted against Momo!
